### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Robert Diaz on 10 December 2008.

The application has been amended as follows:

In the Claims:

Cancel claims 1, 2, 6-19, 21 and 22 since the sequence of adding components in a coating composition cannot be given any patentable weight in a claim to a composition.

2. The following is an examiner's statement of reasons for allowance: Because of the amendment filed 17 November 2008 to independent claims 23 and 32 to clearly distinguish over the prior art references, the previous rejections to claims 23-47, 51 and 52 are no longer maintained and because of the above cancellation of claims to a composition .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kishor Mayekar whose telephone number is (571) 272-1339. The examiner can normally be reached on Monday-Thursday.
